

It is a **Bootcamp**
Not a ~~Course~~

Welcome everyone

Coding Ninjas Job Bootcamp's **Data Analytics** is designed to help data enthusiasts switch to a high-paying career in technology in just 6 months by connecting them with the right knowledge, right network, and placement opportunities.

For working professionals, graduates and final year students.

What is Data Analytics ?

Data analytics is the art and science of examining large sets of data to discover valuable insights, patterns, and trends using various tools & technologies, to gain valuable insights and drive smarter business decisions.

The methods you use to analyze data will depend on whether you're analyzing quantitative (numbers, metrics, scores) or qualitative(text, images, videos) data.

Key elements of Data Analytics :-

- Data Collection
- Data Cleaning & Preprocessing
- Data Exploration
- Statistical Analysis
- Machine Learning
- Data Visualization
- Business Insights

Why Data Analytics Matters:

Data analytics has become a crucial part of today's business landscape. It empowers organizations to make data-driven decisions, gain a competitive edge, and adapt to changing market conditions. By converting data into actionable insights, data analytics is a key driver of innovation and success in the modern world.

Applications of Data Analytics:

- Business Intelligence
- Finance
- Healthcare
- Marketing
- E-commerce
- Smart Cities

and many more.....

[Netflix Data Set](#)

Who will take your classes?

Live classes will be taken by **mentors with more than 15+ years of experience** specializing in relevant skills like **Python, R, SAS, SQL, Hive, Tableau, Excel, MySQL Server DBA, Power Pivot, MIS Reporting, Automation, Power BI Visualization, NLP, Machine Learning, Deep Learning, MLOps, algorithmic trading, statistics, business intelligence, data manipulation tools, advanced Excel, VBA, Alteryx and what not!**

What You Get?

-  Dedicated Placement Coach
-  Dedicated Relationship Manager
-  **100%** Live Classes  **95%** Placement Record
-  **8+** real-world case studies  **1:1** Doubt Support

More Features.....

- ❖ **Doubt Support**

Highly scalable platform, 2000+ TAs assist in resolving 7000+ daily doubts, with 4.8/5 average rating.

- ❖ **Real - World Case Studies**

Build Industry standard end-to-end mini, major and capstone projects.

- ❖ **Get Industry recognized certificate**

Get awarded with an industry-recognised certificate as you complete your bootcamp.

- ❖ **Live Mentorship:**

Interactive 1:1 with industry experts and schedule mock interviews with mentors.

- ❖ **Structured Content**

Industry-relevant curriculum to help you emerge as confident tech professionals.

- ❖ **Be a part of the learning community**

Performance tracking team and Slack groups to connect with your peers.

Placement Assistance

Dedicated Placement Coordinator From Day 1

1-1 Resume review

- resume aligned to JD,
- optimized for ATS, focussing on keywords.

1-1 Online profile reviews

- On LinkedIn, Naukri and other job portals

Premium Hirist Account -

- access 1000s of Premium Jobs

Your dedicated placement coordinator will take care of all such support !

Mock Interviews & Mentorship Sessions

10 MOCK INTERVIEWS

Enhancing your problem-solving, technical, and communication skills

10 MENTORSHIP SESSION

To help you gain invaluable insights, guidance, and practical advice.

Your dedicated placement coordinator will take care of all such support !

What else

➤ Personalised job hunt, get notification on personal chat/email by placement coordinator about any opening matching your profile.

➤ Need help with communication skills and salary negotiation? We got it covered.

➤ Life time access to world class developers/alumni committee

Journey Roadmap

Total Program Duration

📍 Learning Period

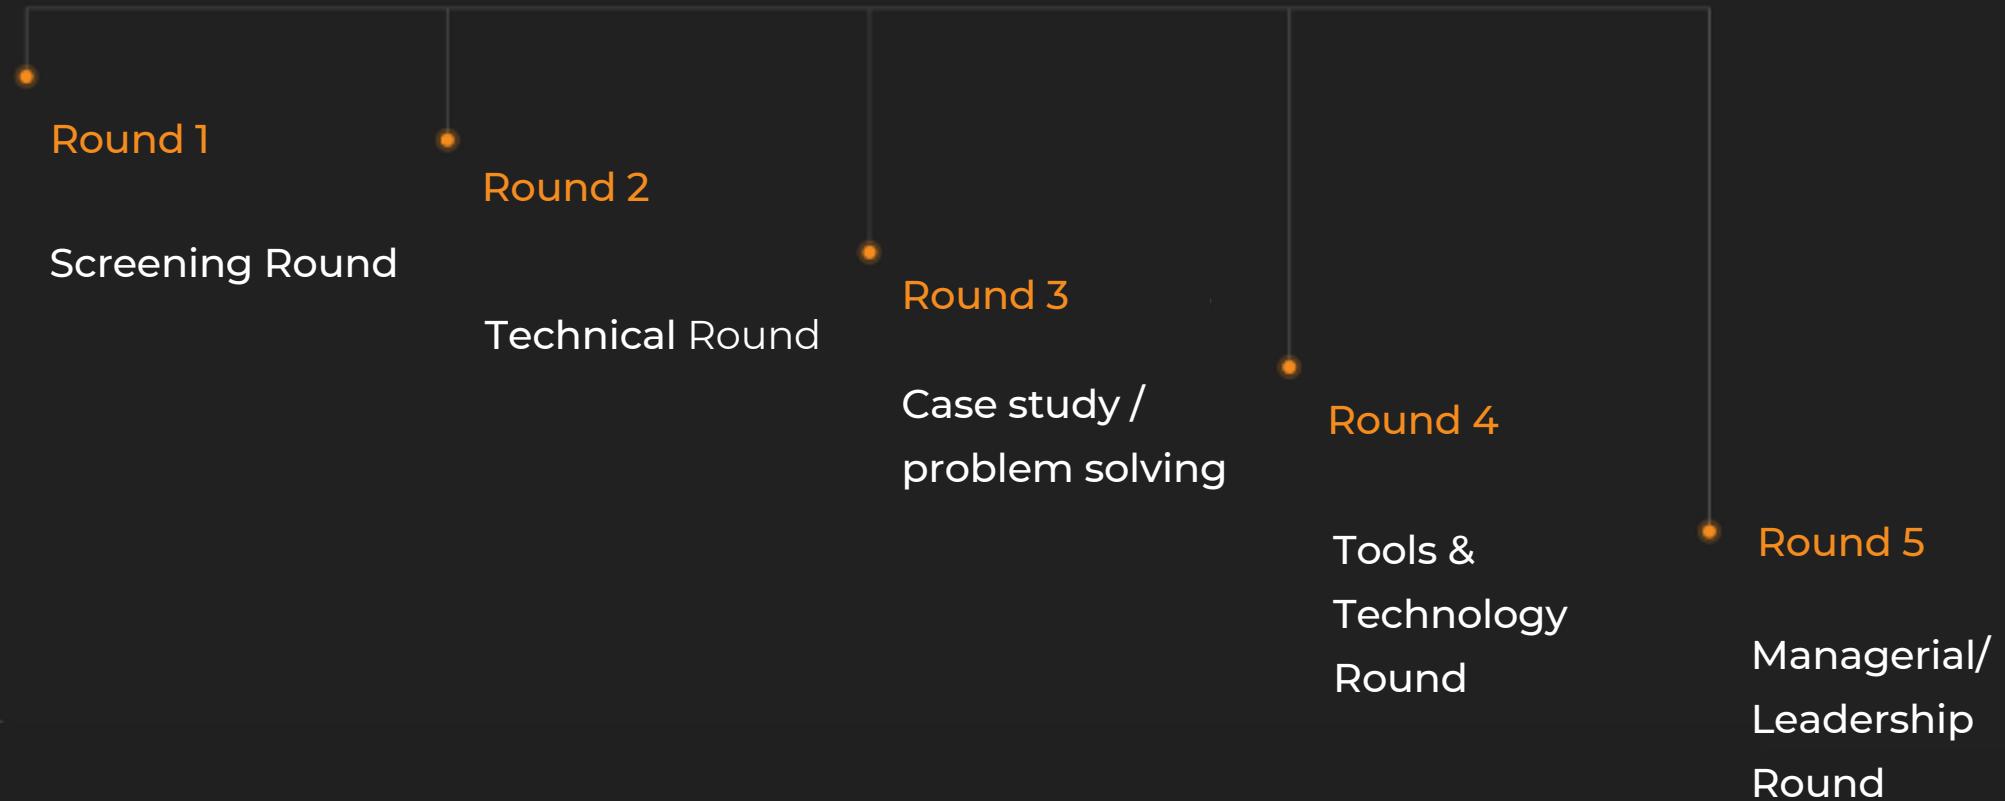

6 months complete live
classes. **Weekly assignment,**
monthly project.

📍 Placement Period

till you land your first
dream job.

Interview Roadmap

Meet our Alumni's

Divyanshu Khandelwal

Business Analyst
IITB B.Tech'17

Srinivas C

Graduate Engineer Trainee
B.Tech'23 Mech.

Rahul Bharti

Associate Consultant
IIT ISMD B.Tech'22
